The world over, its eye-catching styling makes millions of heads turn. Across the globe, its performance makes millions of hearts go boom. The new 2011 Toyota Yaris Sedan. A car that speaks a world language. A car that speaks your language. **Y Not?**

Drive in style.

The Toyota Yaris Sedan is a stylish trendsetter. It's just the car to see, and be seen in. What adds to its attraction is that its sophisticated styling incorporates a useful and spacious boot. Sporty to look at, fun to drive, spacious and comfortable, its styling is sure to make you feel stylish too. Young and energetic, it's a car that indeed epitomises "youth" through and through.

Performance that's youthful too.

Easy and fun to drive, and sporty in performance, the Yaris Sedan gives you everything you always wanted from a car. Under its hood, it has a 1.3 litre or 1.5 litre, 4 cylinder, 16 valve engine that purrs to life and provides responsive and smooth driving. It also delivers great fuel economy, and has a small turning circle which makes it easy to maneuver and park, making it the perfect partner for city driving. Its chassis and suspension provide excellent drivability, stability and a smooth ride. It's the perfect combination of style and functionality.

A world of comfort inside.

The Yaris Sedan comes with a spacious boot that helps you pack in all you need when travelling. Inside, the Yaris is roomy, with sufficient head, shoulder and legroom for you and your passengers to travel in comfort. The attractive exterior styling is matched by the interior, with a flowing instrument panel and an ergonomically designed centre console, with easy access to all the controls. A powerful air-conditioning system keeps you and your passengers cool. And a 4-speaker Radio and CD audio system with i-Pod compatibility lets you travel with your favourite music.

Safe and sound.

The Yaris Sedan continues the Toyota promise of providing a safe driving experience for you and your passengers. It has driver and passenger airbags, ABS with Brake Assist, and a body that is as solid as it is stylish. It also has an anti-theft system engine immobiliser, to provide reassurance and peace of mind, and deter unwanted attention.

Yaris is Youth. Yaris is You. Park it outside a coffee shop. Drive it to a movie theatre. Enjoy your kind of music in it. It is the perfect companion for your busy lifestyle. Do all the things you always wanted to do with your car. Again, **Y Not?**

All the features you need.

The fully-equipped Yaris Sedan has all the features required to satisfy the most demanding driver, with the availability of Power Steering, Power Windows, Power Door Locking, Keyless Entry, Alloy Wheels and a Rear Spoiler. It's also available in a choice of 9 cool colours - so you can choose the one that best suits your style. And the most important feature of all that is built into every Yaris Sedan is the build quality, durability and reliability for which Toyota is renowned the world over.

It's all new...it's all you.

Stylish. Fun. Sporty. Comfortable. The Yaris Sedan is all this and more. Welcome a refreshing and exciting new way to enjoy your driving. So why not drive a world youth car? Y Not?
